## Media Center Tidbits

### Student Assistant

Welcome Stephaine!

Stephanie is a student at Heyward Career Center and she will be assisting me in the media center on Mondays, Tuesdays and Wednesdays. On Thursdays and Fridays she will work with David Keisler's class while I am at Hall Institute.

Stephanie has proved to be a great asset to the media center. She is hard-working, efficient and prompt.

She likes to assist students during media

center time when they use the Smart Board and when they work on reading assignments on the PCs.

Her help was invaluable during the Scholastic Book Fair that was held August 31 through September 7.
